

# T.R. Matson

Pilot, US Veteran, Best Selling Author

T.R. Matson has over two decades of both military and civilian aviation experience. His airborne career was neither typical nor easy, but his tenacity and discipline brought him through 20+ years of military service and out the other side to become a teacher of the next generation of aviators, a best selling author, and a formidable motivator of men. Matson is the embodiment of his own powerful mantra:
